Description :

PDF-81241 | Ten years ago, the United States stood at the forefront of the Internet revolution. With some of the fastest speeds and lowest prices in the world for high-speed Internet access, the nation was poised to be the global leader in the new knowledge-based economy. Today that global competitive advantage has all but vanished because of a series of government decisions and resulting monopolies that ha... *Captive Audience: The Telecom Industry and Monopoly Power in the New Gilded Age*
