Description :

PDF-cf2df | Raising teenagers is already stressful. The stress can spiral out of control if your teenager announces "I'm giving up meat." The parents' first reaction is likely to be worry. Teens are growing, and nutrition is important. Will a meatless diet be healthy? Another worry: cooking. Does a vegetarian or vegan diet mean cooking 2 separate meals for dinner? Finally there the impact on the family. Does ... *Feed Your Vegetarian Teen: a practical guide to serving easy meals the whole family will enjoy*
