Description :

PDF-a4637 | We all crave warming comfort food when the weather starts to cool down—rich and fragrant curries, succulent braised dishes and soups, and meat so tender you could cut it with a spoon. This is the time of year that we skip the salads and quick stir-fries and the art of slow cooking comes into its own. "Low and slow" refers to the cooking method used throughout the book—low-temperature cooking f... *Low & Slow: Comfort Food for Cold Nights*
