Description :

PDF-44fbe | The largest edible fruit native to the United States tastes like a cross between a banana and a mango. It grows wild in twenty-six states, gracing Eastern forests each fall with sweet-smelling, tropical-flavored abundance. Historically, it fed and sustained Native Americans and European explorers, presidents, and enslaved African Americans, inspiring folk songs, poetry, and scores of place names f... *Pawpaw: In Search of America's Forgotten Fruit*
