Description :

PDF-27822 | When it comes to nutrition and the vegan lifestyle, there is a lot of information out there. Some of it is good, some of it is... well, let's call it "questionable." This book serves as a common-sense guide to those who are seeking valid, unbiased, non-cherry-picked information about how to eat truly healthfully as a vegan. It sifts through many of the myths and misconceptions about being vegan, an... *Pleasure Not Meating You: A Science-Based Approach to the Vegan Lifestyle (And Some Recipes, Too)*
