Description :

PDF-54e00 | This inescapably controversial study envisions, defines, and theorizes an area that Laura Wright calls vegan studies. We have an abundance of texts on vegans and veganism including works of advocacy, literary and popular fiction, film and television, and cookbooks, yet until now, there has been no study that examines the social and cultural discourses shaping our perceptions of veganism as an iden... *The Vegan Studies Project: Food, Animals, and Gender in the Age of Terror*
