Description :

PDF-95b5e | New Tenth Anniversary Edition What is so simple as eating an apple? And yet, what could be more sacred or profound? Food is our most intimate and telling connection both with the natural order and with our cultural heritage. But it is increasingly clear that the choices we make about food today are leading to environmental degradation, enormous human health problems, and unimaginable cruelty toward... *The World Peace Diet: Eating for Spiritual Health and Social Harmony*
